Feng Shui bez magii i zabobonow[®]

Xuan Kong Feng Shui consists of two departments: Xuan Kong Da Gua and Xuan Kong Fei Xing. Fei Xing is more popularly known ever since Shen Zhu Reng explained this in his book according to his understanding. Xuan Kong Da Gua has been kept secretive and is not easily available. This branch of the Xuan Kong School emphasizes on matching dragon with mountain and facing with water. Another focus is at the communication of Heaven, Earth and Man. Date selection is the Heaven part. Facing/Sitting is the Earth part. Tai Sui Gua of people is the Man part. The practice of XKDG is very difficult without a specially made calendar. This elegant technique is explained in [Xuan Kong Da Gua Correspondence Course](#).
